Share your bounty!

In the spirit of harvest, when the bounty was always shared with those less fortunate, we are collecting canned or boxed items for our local food pantries.

Gardeners, bring extra produce from your gardens for an Ampleharvest.org drop off!

Winter is coming! We will also be collecting coats for The Market Street Mission.

Pumpkins & Apples are the inspiration for our 'fall fest' this year.

Would you like to share your favorite apple or pumpkin dish? Receive a \$10 gift certificate to Glenwild Gardens when you enter our **Harvest Dessert Tasting & Contest.**

The best tasting Dessert wins a **\$25 gift certificate** to the store and your recipe gets published on our new website. Email Jodie@glenwildgardens.com for more details
